

US AIRLINE BAGGAGE FEES

June 12, 2008

The Chart below reflects all known fees that will be charged for checked baggage by U.S.A. carriers as of June 15, 2008. Different carriers have different rules about when these fees take effect based on the ticket purchase date and dates of travel. Please contact your carrier for specific details. We will update the chart as other carriers announce their intentions or not to charge fees for checked bags.
